Corporate Sponsorship Package

Dear Potential Corporate Sponsor,

The Hamilton Gymnastic Academy is a not-for-profit community sport group governed by Gymnastic Ontario. Our company is run by qualified fully certified trained and caring staff; we have been serving the community for over 29 years. Our mission is to provide high quality gymnastic programs to individuals of all ages. Our programs allow for the development of gymnastic skills at all levels. We also develop good sportsmanship, life skills and a healthy mind and body.

We are seeking sponsors to help support our ever increasing membership. Over the past 3 years our club has grown considerably and our current membership allows for sponsors to access families with children of all ages demographically. Your sponsorship dollars would go towards developing programs, training coaches, and purchasing new equipment to help teach them to participate in an active healthy lifestyle and develop life-long skills.
